In-Kind Donations

- Your generosity with in kind donations will be evaluated for fit in the best category. There are many ways you can help and we want to recognize your part in helping feed the hungry in our community.

Thank you. Your donation is tax-deductible and your support of our community is appreciated.

The 2021 fundraising goal is \$40,000. This represents the shortfall in funding needed to support the Emergency Food Assistance Program. The Emergency Food Assistance Program provides nutritious food to families and individuals that meet 133% of the Federal Poverty Income Guidelines. Food boxes are structured for the family size and consist of USDA food commodities, donated food and bread products from our Salvage Program. The commodities are purchased with the U.S. Department of Agriculture funding and as an eligible distribution site, receive some free 'Bonus Loads'. In addition to food boxes SCCAP distributes, we also provide USDA food directly to 14 food pantries & soup kitchens at no fee for service, and coordinate services with other service providers and churches. We act as the clearing house for many organizations, and are the first point of contact for the majority of the low-income citizens of South-Central Idaho. We actively participate in community food drives and encourage food drives on our behalf.
